SUMMARY

MERN Stack Developer with experience building scalable, user-focused web applications using MongoDB, Express.js, React, and Node.js. Strong understanding of both front-end and back-end development, with a focus on performance, clean architecture, and responsive UI design. Skilled in creating RESTful APIs, managing databases, and integrating modern JavaScript frameworks to deliver seamless user experiences..

SKILLS

- **Frontend:** React.js, JavaScript (ES6+)
 - **Styling:** Tailwind CSS, Bootstrap, Responsive Design
 - **State Management:** Context API
 - **Backend:** Node.js, Express.js
 - **Database:** MongoDB, Mongoose
 - **Tools:** Git, GitHub, Postman, VS Code
-

WORK EXPERIENCE

Creative Insight IT Academy – Full Stack Developer (Training)

June 2025 - May 2026 | Rajkot, Gujarat

- Built scalable dashboards handling real-time API data with 1000+ records
 - Reduced re-renders by ~25% using memoization and optimized component structure
 - Designed reusable UI components, cutting development time by ~30%
 - Integrated REST APIs with error handling, retries, and fallback logic
 - Collaborated with backend developers to improve API structure and response efficiency
-

PROJECT

E-Commerce

- Built a scalable e-commerce management platform enabling administration of products, categories, orders, and users with optimized workflows
 - Developed dynamic dashboards for sales analytics, order tracking, inventory monitoring, and customer insights
 - Implemented cart, checkout, and order management functionality to improve user shopping experience and conversion rates
 - Integrated secure payment gateways and real-time APIs for seamless order processing and transaction handling
 - Optimized UI performance for faster load times, responsive design, and cross-browser compatibility
 - Designed reusable and modular frontend components for maintainable and scalable application architecture
 - Implemented authentication and role-based access control for secure admin and customer operations
 - Enhanced product discovery with search, filtering, and category-based navigation functionality
-

EDUCATION

Bachelor of Computer Applications (BCA) - RK University

June 2023 - May 2026
